SHOWS GRAND CHAMPION steer of Will county 4-H livestock show held last week-end at the new fairgrounds on Francis road. The owner is Roberta Brossman, 14, of Manhattan. The grandchampion and the runner-up this year were both Angus. The prize winner shown by Roberta is a 750-pound yearling and rejoices in the name of "Black Magic."

RUNNER-UP in beef division at 4-H show. This nice looking Angus was shown by Veryl Lichtenwalter. Like the girl whose steer won the grand championship, Veryl gets his mail thru Manhattan home and both of these young exhibitors are members of the Jackson Champions 4-H club.

RESERVE CHAMPION in the dairy division of the 4-H fair, a 4-year-old Holstein, was shown by David Jacobs, 16, of Peotone. He is a member of the Pep Pushers 4-H club.

A BROWN SWISS was selected as grand champion of the dairy division of the Will county 4-H show. The cow shown here is owned by William C. Meyer, of Peotone, who is accepting a plaque tendered by Carl Weiss, of Northern Illinois breed club.

Ask Bids On Storm Tile At New Lenox

Residents in the vicinity of Second and Pine appeared before the New Lenox village board at its meeting last week to again urge action on the drainage system which they hope will eliminate the standing water and unsanitary conditions that follow every hard rain.

The board revived a motion originally adopted in February to advertise for bids for a 12-inch tile line. Now, however, the board will ask for an alternate figure on a 24-inch line.

The board has \$5,000 appropriated for the program. Approximately \$500 has been earmarked to obtain right-of-way for a portion of the line, which would leave \$4,500 for the job.

Should this be insufficient there was talk of raising the rest of the money thru special assessment. Such an assessment would cover an area extending to Joliet road, it was said, involving perhaps 100 property owners. If this were the case, it was said, the assessment should be nominal.

Advertisement for bids on the storm sewer project appears in another part of this paper. The bids must be in the hands of the village clerk, Robert J. McCleary by 8 p.m. or Aug. 22, at which time a special meeting will be held by the board to consider them.

Plans and specifications for the job may be obtained by contractor from Mr. McCleary at the New Lenox State bank.

State O.K.'s Repairs For LaPorte Rd.

Mokena Village Board has received approval for the surfacing of LaPorte Road from the village limits west to the village limits east. Word was received from R. R. Bartelsmeyer, chief highway engineer that his office has approved the resolution adopted by the Mokena village board last May 31, providing for the surfacing.

The state has set aside \$1,500 from the motor fuel tax fund to supplement other funds required to complete the work.

Before work is begun on the road, the Ralph Yunker, village engineer must submit plans to be approved by the highway commission along with an estimate of the total cost. The village will then advertise for bids. If the low bidders offer is accepted and approved by the state, the contract will be let and the surfacing will be handled by the winning contractor.

Takes Over Restaurant

Mr. and Mrs. J. C. "Doc" White, proprietors of "Doc's Cafe", at Mokena have leased the Lincolnwood Drive-In on Route 30, Lincolnwood as of August 1.

They will serve dinners, short order and snacks from 6:30 a.m. to 10 p.m. six days a week. The restaurant will be closed Wednesdays.

They will also continue their restaurant business in Mokena.

Will County 4-H'ers Hold 1st Show At New Fairground

BY JUDY OSBORN

The new Fred A. Francis 4-H fair grounds near New Lenox was initiated Aug. 4 and 5 when the Will County 4-H Agricultural show was held there. Construction work on the new show building was not finished in time for the fair, and the central showing arena was not roofed for Wednesday's big rainstorm. The grounds, as is almost traditional for the county 4-H fair, were rather muddy for the two show days.

A fund drive last fall speeded financial support for the initial construction at the grounds. 4-H'ers, homemaker groups, commercial concerns, clubs and organizations have donated time and money to help build this new center. Many long hours and weekend work were needed to ready the buildings for the show.

Beef, sheep, poultry, rabbits and garden projects were shown on a rather cold and damp Thursday. The Hog and horse shows were held Thursday evening. The sun broke out for Fridays showing of goats, dairy and swine. Saturday morning found the New Lenox Bronc Busters cleaning up the grounds after the fair was over.

Dan Martin, New Lenox area florist, judged the home ground beautification displays. Roy Fitzer, New Lenox business man and rabbit breeder was the local rabbit judge.

Four local 4-H'ers took home trophies. Alan Featherwick of Frankfort won the grand champion exhibition garden trophy. Kurtis Gerald of Mokena won first in the pleasure class at the horse show, while Sharon Kausing of New Lenox was winner in the Trail Class. Kathy Treadway of Palos Park was top rider in the clover-leaf.

The other winner in the 38 horse show entries was Kay Delaney of Manhattan who took first in the halter class with her horse.

The grand champion steer trophy went to 14-year-old Roberta Brossman of Manhattan. Her 750 lb. Angus steer was her first 4-H beef project. In a new beef class the junior feeder, Dale Meyer, also of Manhattan, took top honors. Other winners in the 129 beef entries were Margie Thornton of Wilmington for champion beef female and the champion beef showman, Brian Homerding of Plainfield. Phillip Francis, Wilmington, took junior champion showman.

Championship in the 116 dairy entries went to Bill Meyer of Peotone for his brown swiss cow. He also took home the champion dairy showman trophy. Junior dairy showmanship honors went to Bernard Heisner, another Peotone 4-H'er.

In another section of the dairy show, the champion goat was shown by Richard Shaw of Custer Park. He also won the showmanship award.

In the sheep division, Lynne Stauffenberg of Manhattan won dual honors with the grand champion ewe and junior champion show-

manship. Charles Marshall of Wilmington was champion sheep showman. Trophy winner for the county market lamb show held in early June was Dave Meisinger of Lemont.

Other winners among the 92 entries in garden and land-scaping displays were Dale Cooper for his home garden entry and Ronald Werner of Peotone who had a home beautification project.

Champion gilt among the 143 swine entries was owned by Dale Meyer of Manhattan. Bill Fitzgerald of Wilmington had the champion market hog. Showman-

Sept. 15 Is Deadline For Making Sewer Connections

There is trouble ahead for property owners in Mokena who fail to make tap-in connections with the village sewer system before September 15.

The deadline was set by the Village Board at its last regular meeting Tuesday August 2. Village attorney Ray Hoolehan was instructed to notify all property owners delinquent in this matter.

There are 39 units of which property owners have paid the original \$10 hook-up fee, but have failed to have the work completed and a total of 41 units of which property owners have failed to file

application for service. Hoolehan was also instructed to issue summons to those who failed to meet the deadline and to have them prosecuted as soon after that date as possible.

An ordinance requiring all property owners to conform with state and county health regulations which requires sewerage hook-up within the village limits carries a minimum penalty of \$10 per day for all violators.

A total of 418 units are now being used out of a possible 488 units within the village.

Sets Up Regulations For Making Sewer Connections

An ordinance was adopted by the New Lenox Village board at its adjourned session last Thursday night setting up provisions for making connections with the New Lenox sanitary sewer system and also providing for an inspector who will be listed as assistant to the building inspector.

The ordinance will be in effect 10 days from today, Aug. 20. Milton Harnack has been named as inspector and will serve as assistant to Harry Brockway, building inspector. There will be a \$3 inspection fee, to be paid by the person of firm having it made.

Stubs will be carried from the sewer mains to the property lines as a part of the general cost of the improvement but property owners must foot the bill for the work done and material used on their property.

The ordinance requires the use of cast iron pipe with leaded joints to carry sewage if within 50 feet of a well used for drinking water. That is in accordance with the regulations of the state health department. The portion of sewer line not within that distance may be of vitrified tile or plastic tile with sealed joints.

When a house of building connection is made it must be left open until inspected.

Persons are required to make connection with the sewer and there

will be a penalty imposed for non-compliance with any terms of the ordinance. The ordinance is published on another page in this issue.

Report Theft Of Stamps From Rural Mail Box

Residents of the Marley area are complaining to the postal authorities of a person or persons tampering with rural mail boxes.

Recently Mr. and Mrs. Nicholas Ridlen of Marley had left an order for a sheet of stamps with the rural mail carrier. Shortly after noon, when their mail is delivered, they went to the box and found the stamps have been stolen; but their other mail was left intact.

Tampering with the U. S. mail is a federal offense. If the neighbors notice anyone opening the mail boxes they should contact local postal authorities.

Fight Grass Fire

The Mokena volunteer fire department was called out at 8 o'clock Tuesday morning to extinguish a grass fire along the Rock Island right-of-way east of the village.

Heart Attack Is Fatal To Fred Cappel

Fred Cappel, 73 years old, a life long resident of Mokena, died of a sudden heart attack, Sunday evening, August 7 in his home at 59 North Mokena street.

Although Mr. Cappel had been in good health he suffered a heart attack last Friday while working on the Walter Kopp farm West of Mokena. The inhalator was called and he was removed to his home. Upon the advice of his physician he was to remain in bed for several days. While watching television Sunday he had another attack and died within a few minutes.

Born in Mokena, Sept. 25, 1887, he was the son of the late Mr. and Mrs. John Cappel. After graduating from the Mokena public school he joined his father in farming.

He was united in marriage to the former Miss Luella Karch of Frankfort, Sept. 10, 1913. At the time of his marriage he was employed as a motorman on the old Interurban street car line, running from Aurora to Chicago Heights. After a few years, he and his family moved to his parents' farm on route 30 until 1928 when he and his brother Albert purchased the Mokena Grain and Elevator company. After selling the business in 1940 Mr. Cappel worked at the Wyman-Gordon Manufacturing company in Harvey until his retirement two years ago.

Mr. Cappel was a member of the Matteson Lodge, No. 175 A.F. & A.M. of Joliet; St. John's United Church of Christ and a charter member of the Mokena Lions club.

Surviving besides his wife, Luella, is a daughter, Mrs. Richard (Helen) Sippel of Mokena; two brothers, Andrew and Albert; two sisters, Mrs. Alma Hauck and Mrs. Peter (Ida) Mancke all of Mokena; and two grandchildren.

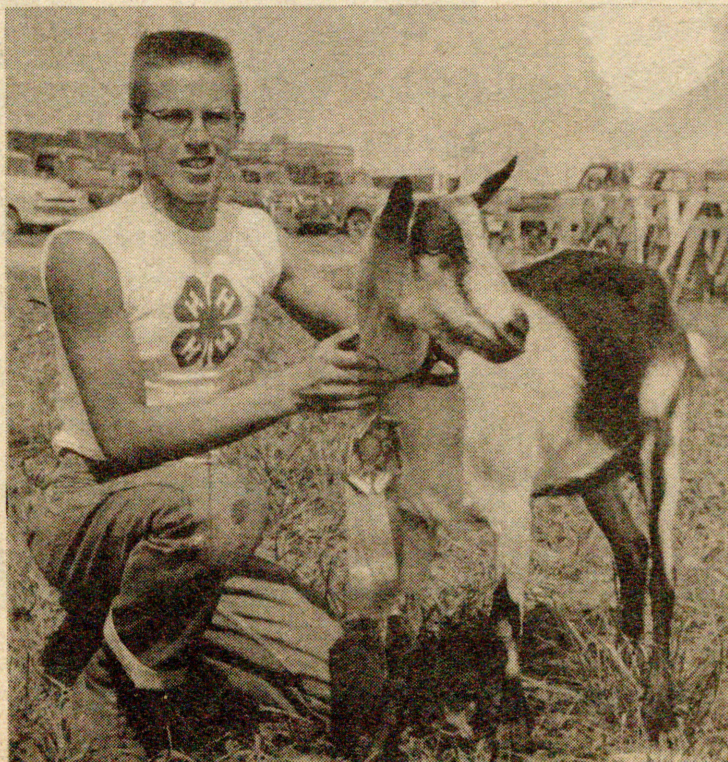

Removal was made to the West End Funeral Home, Chicago Heights, until Wednesday when the remains were brought to the St. John's United Church of Christ, Mokena, for services at 2 p.m. with the Rev. Theodore Wimmeler officiating.

Burial was in St. John's cemetery.

Women's Club At Mokena To Open Kindergarten

The Woman's club of Mokena at a meeting held Monday night decided to open a kindergarten this fall. It will be open to all youngsters in the Mokena area who are five years old or will have reached that age by Dec. 1, this year. Classes are scheduled to begin Oct. 1.

Registration for the kindergarten will be accepted next Monday, Aug. 15, and the following Monday, Aug. 22. Registration will be taken on those days by club representatives at the post office. A birth certificate must accompany the application for enrollment.

CHAMPION GOAT--grand champion of the Will county 4-H livestock show, a yearling French Alpine doe that may or may not answer if you call her by name--"Nosey Ellen." The owner is Richard Shaw, of Custer Park. Robert not only had the champion goat of the show but was also adjudged champion goat showman.

BEST SHEEP of the show was a Southdown ewe, shown by Lynne Stauffenberg, 14, Manhattan. This grand champion came into the ring with her fleece fluffy and white, like Mary's school-going lamb. The owner is a member of the Jackson Champions 4-H club, the third of the group to win a top prize.

Grades 1 And 5 Must Have Checkups Before Sept. 6

Rev. and Mrs. James Parker and daughter visited with friends and relatives in Akron, Ohio Asheville, North Carolina during their

Mr. and Mrs. Lawrence Woodman spent a week in Chicago. They took a sightseeing cruise on Lake Michigan. Mrs. Emma Mueller of Oak Park stayed with Mrs. Lily Herschbach during their absence.

The Senior Youth Fellowship of the St. Peter's church will have a swimming party at the Burton Breidert home Sunday afternoon, August 14 at 3:30 p.m. Later a lunch will be served.

The Rev. and Mrs. Erich Bizers'

The Auxiliary Post will meet in the home of Mrs. Glenn Burkett, Lincoln Meadows, Thursday, August 11 at 8 p.m. Mrs. Dan Hecht will preside at the meeting.

Mr. and Mrs. John Koehler, Misses Mildred, Edith, and Minnie Koehler and Maureen McGlaughan all of Blue Island spent last Wednesday with the Milton Subberts and Mrs. Clara Rauch.

Mrs. Clark Bennett, Mrs. Charles McManimen, Mrs. Clara Bennett and Henry Geuther visited last

Visitors in the Edgar Lund home last Sunday afternoon were Mr. and Mrs. Walter White of Palm Beach, Fla., and their daughter and son-in-law Mr. and Mrs. Speck of La-Grange.

Mr. and Mrs. Edward Wise, Detroit, Mich., were houseguests of Mr. and Mrs. Edgar Lund this past week.

"A rumor is about as hard to unspread as butter."

Sportsmen Auxiliary To Pick Slate Of Officers

MRS. DELORES ANDERSON
Tel. HU 5-3651

Sportsmen Recreation club auxiliary will hold its regular meeting, Wednesday, Aug. 17 at 8 p.m. in the home of Mrs. Palmer Duce, 114 W. Fourth Avenue. All wives, sisters, Mothers, and daughters over 18 affiliated with the club are welcome to join. Nominations of officers will take place at this meeting.

Mrs. Ernest Oram opened her home to the Martha Circle of the Methodist church, Wednesday afternoon, July 27.

A member of the group, Mrs. Arthur Feil, was given a farewell party by the 26 members. She was presented a gift from the group. She will make her home in New York in the near future.

Miss Marilyn Sayers, 120 Elm street, will serve as a leader in guiding new students thru Orientation week at the Illinois State university, beginning September 11.

The Earl Schladenhauffen's have returned from a three weeks vacation spent in Arizona and California. They visited at Phoenix, Ariz., with Mr. Schladenhauffens sisger Eunice; and in Los Angeles, Calif., with his brother Eldon; also Disneyland, Knotts Berry farm, Hollywood, Beverly Hills, Grand Canyon, and the Red River Valley.

Mr. and Mrs. Arthur Neels and family and his mother Mrs. Fanny Gray have returned from a fishing trip to Kempster, Wis.

Cardosi Concentrates On Voters In Will County

In furtherance of his campaign for election as judge in the 12th judicial circuit at the Aug. 16 election, Victor N. Cardosi, of Kankakee, veteran city attorney for Kankakee, is busy shaking hands and knocking on doors seeking votes.

As the election date approaches, he is intensifying his visits in the three counties, concentrating on Will County. He has been spending some time also in touring Kankakee and Iroquois counties where he is better known because of the many years he has practiced law in the two communities. A member of the school board at Kankakee, he also is a member of the Kankakee county board of supervisors by virtue of his office as an assistant supervisor from Kankakee township.

In Will county, not only has he been visiting all sectors of the county seeking votes and meeting voters, but he has been conferring with precinct committeemen in groups. He plans to contact all 138 of them before the special election, citing his qualifications for office and asking their help and support. Many of his meetings with the committeemen have been staged at his downtown Joliet headquarters, 25 E. Jefferson st.

Cardosi was one of the featured candidates at the Will county Republican central committee picnic Wednesday at St. Joseph's Park in Joliet. Cardosi as well as the Republican party in the county is stressing the importance of getting out the Republican vote Aug. 16 to elect Cardosi. The Aug. 16 balloting should be a forerunner for the November election, they stress. The Aug. 16 election date was set by Gov. William G. Stratton to

fill a vacancy in the 12th judicial circuit, resulting from the death of Judge C. C. Henry of Kankakee. His term was to have continued until 1963. The successful candidate will serve out the term. To vote at the special election voters must be registered.

Cardosi was the unanimous choice for the GOP candidacy at a nominating convention of delegates from all three counties.

Paul V. Wunder, former Will county circuit clerk and now clerk of the appellate court, 2nd district, is in charge of Cardosi's campaign.

Pearce Seeks Area Votes

John Irving Pearce, former Will county state's attorney and now a Democratic candidate for circuit judge in the 12th judicial circuit, was campaigning in the area last week.

The 12th circuit is made up of Will, Kankakee and Iroquois counties. A special election has been set for Aug. 16 by Governor Stratton for the purpose of filling a vacancy created by the death of Judge C. C. Henry, of Kankakee. Judge Henry's term would have expired in 1963. The person elected will serve the balance of the term. The regular term of a circuit judge is six years.

Mr. Pearce resides in Wilmington and maintains a law office there. He has been a lawyer for 45 years. He was educated at Yale, Harvard and Northwestern.

Pearce was the unanimous choice of the Democratic convention for the 12th circuit.

SUMMERTIME SETTING for summertime concert. The Lincoln-Way high school band, under the direction of Robert Taylor, gave a concert last Sunday afternoon at the picnic area on the school campus. The audience not only enjoyed the music but also the breeze and the sunshine. (Marvin Smith Photo)

Orland Park Outdoor Art Show To Be Given Sunday, Sept. 18

MRS. SHERMAN KNOX
Tel. FI 9-0211

Plans are being made by the residents of Laguna Woods to hold an outdoor art exhibit, antique and white elephant sale Sunday, September 18, from 1 to 7 p.m. at 135th street and 80th avenue. Mrs. L. Woodbury, local artist, served a luncheon in her home last Thursday to a group of ladies who will work at the outdoor affair.

At a recent Pan-Hellenic meeting at the home of Mrs. Harry Powell in Palos Park, plans were made for an "Information party". Sunday, August 28. The party will be for any girl from this area who will be going to a college this fall where there are any Pan-Hellenic sororities. Those wishing to attend the party call Mrs. Andrew DeVoursney, GI 8-4438 or Mrs. Vernon Peterson, GI 8-5077.

House guests in the home of Mrs. John Loebe are her brother and wife, Mr. and Mrs. Stewart Martin of Edmonton, Alberta, Canada.

The annual corn supper will be served by the WSCS, Thursday, August 18 from 5 to 8 p.m., in the church dining room. The public is invited.

Mrs. Albert Rogers, President of Chicago southern district of the WSCS will conduct an officers training session at Wesley hall, Tuesday, August 16 at 7:30 p.m. Several other officers of the district will assist her. All local members are urged to attend. Following the session refreshments will be served.

After being confined to his home a week and a half due to a leg injury, Frank Buck is able to return to work.

Mrs. Karl Ekberg and aunt, Mrs. Joseph Carlson of Chicago spent a few days visiting relatives and

3 Area 4-H Clubs Win At Home Ec Show

SEMMLER NEWSPAPERS

Thursday, August 11, 1960

Page 3

At the recent Will County 4-H Home Economics show held at the Peotone fair grounds August 2 and 3 the local area 4-H clubs, made a good showing and came home with the following blue ribbons.

In the baking class, which was divided into seven sections, winners were; Karen Erickson, Donna Guth, Kathleen Malloy, June Swanberg, Elizabeth Madden, Betty Jane Malloy, Virginia Manzke, Deborah White, Judith Owen and Hansena Vandborg all of Busy Hour club. Also Jayne Wheeler, Phyllis Yates, Doris Jenkins and Gloria Kubeck all of Lincoln Lassies.

Snip 'N Snack winners were; Barbara Kestel, Coralee Krapf, Peggy Krapf, Diane Rab, Linda Bettenhausen, Joan Brader, Sherri Dralle, Sharon Jordan, Corrine Hagen, Jean Heisner, Laurel Lauffer, Patricia Morrison, Linda Ryberg, Karen Thisseld, Rita Weber, Louise Zakas, Jeannie Borms, Susan Nagel, Carol Sippel, Beverly Guildenzoph, Gloria Heisner, Arlene Sangmeister, Joan Schmidt, Leah Borms, Carol Torok, Sandra Bettenhausen, Caroline Patz, Billy Rab, Bernadette Barlow, Evelyn Diment, Sharon Homerding, Jeanette Sangmeister, Beverly Torok, Sandra Nagel, Joyce Heisner, Ruth Rainford, Bonnie Tork and Carol Wallhauser.

Flower arrangements winners were; Donna and Joan Barlow, Kay Canavino, Corrine Hagen, Sharon Homerding, Janet Johnson, Beverly Torok and Carol Wallhauser all of Snip 'N Snack club.

Photography winners of the Snip 'N Snack club were awarded to Sandra Bettenhausen, Marie Bettenhausen, Beverly Guildenzoph, Joyce Heisner, Sandra Nagel and Billy Rab.

Baby sitting project, which was new this year, were awarded to Sandra Kooyenga and Barbara Taylor of the Busy Hour club and the Snip 'N Snack booth received first place ribbon.

Winners in Handicraft project; Kathy Hunniford and Deborah White both of Busy Hour; also Marie Bettenhausen, Joan Brader, Kay Canavino, Jean Heisner, Sharon Homerding, Pat Morrison, Susan Nagel, Caroline Patz, Leah Borms,

Carol Sippel and Carol Torok all of Snip 'N Snack club.

Clothing project, which was divided into two sections, were won by; Patty Balsie, Christine Bulanda, Carol Jones, Katherine Martin and Elaine Urbano all of Lincoln Lassies; Karen Erickson, June Swanberg, Barbara Taylor and Hansena Vandborg of Busy Hour club, Snip 'N Snack winners went to Aleta Ballard, Joan Barlow, Diane Bettenhausen, Marie Bettenhausen, Sandra Bettenhausen, Jeanne Borms, Kay Canavino, Evelyn Diment, Sherri Dralle, Helen Ebert, Sharon Gordon, Joyce Heisner, Sharon Homerding, Janet Johnson, Barbara Kestel, Coralee Krapf, Sandra Nagel, Susanne Nagel, Caroline Patz, Ruth Rainford, Jeanette Sangmeister, Marilyn Sangmeister, Carol Sippel, Beverly, Bonnie and Carol Torok, Rita Weber and Louise Zakas.

There were 59 State Fair hopefuls; 9 delegates and 9 alternates were chosen to exhibit at the State Fair on Will County day, Monday, August 15. Barbara Taylor was selected as an alternate delegate from the Busy Hour on sewing. The other members going to State are from the Snip 'N Snack club. Sharon Homerding, delegate, will demonstrate in the food projects. Carol Wallhauser and Carol Torok, delegates to attend all food classes. In photography, Sandra Bettenhausen's entry will be entered in State contest. Janet Johnson, delegate; Sharon Homerding, and Beverly Torok, alternates, will enter in the Flower Arrangement

class. In clothing, the following girls will attend classes and model their garments, namely; Sharon Homerding, Janet Johnson, Bonnie and Beverly Torok.

Fire, Unknown Origin Burns Storage Shed

MRS. DELORES ANDERSON
Tel. HU 5-3651

Fire of undetermined origin destroyed an unfinished house, owned by Roman Nowicki, east of their home on Pottawatomie drive last week. The house had been used to store ladders and other articles. The New Lenox fire department responded. They poured water on the Edward Johnson residence next door to keep the fire from endangering their home.

Mrs. Rose Rabiegas' daughter and granddaughter, Mrs. Joseph Odon and Patsy of Chicago, visited with her last Thursday.

Mr. and Mrs. Walter Thode attended funeral services, Tuesday, for their cousin, Arthur Lingen at Lombard.

Mr. and Mrs. Roman Nowicki were visited by his brother Mr. and Mrs. John Nowicki Sr.; and nephews Jack and Don Nowicki and families all of Chicago, Saturday.

Christian Drivers

Some of the churches are now preaching safety in an endeavor to halt the needless slaughter on American highways. The churches are approaching the problem from a moral standpoint.

The commandment, "Thou shalt not kill," still applies regardless of the implement used to take life. And the automobile has become one of the most lethal implements ever to be employed against mankind.

Statistics collected by Travelers Insurance Co. for 1958 disclosed that 95% of the cars involved in fatalities were in good operational condition but too many of the drivers weren't.

These figures also show that 43% of the fatal accidents were the result of speed while careless and reckless driving accounted for another substantial percentage of traffic deaths.

This disregard of law and rights of others is a moral question as well as a legal one and some of the churches are emphasizing this. Recently there has been a discussion in Britain as to whether the Church of England would deny burial rites to drivers whose carelessness had cost them their lives on the premise they were suicidal.

Said a Joliet pastor last week in a sermon on the subject:

"... As Christians, we know that we live in a sacramental universe. God's whole creation is a visible and tangible sign of his goodness toward us. His benefits are available to us whenever we use any of His gifts in the way He intends. Even the automobile can be redeemed from tragedy to joy if we use it rightly. If we remember each time we sit behind the wheel that we hold in our hands a machine which God has given us for good, we will not abuse it. If we remember that the other motorists and pedestrians, no matter how foolishly they drive or walk, are God's creatures, too, our love-our-neighbor policy will include our driving. "Many display St. Christopher Medals in their automobiles..... a good custom, and the practice can serve a double purpose. When we look at such a medal, we are reminded of God's constant care. It can remind us, too, to pray that we may drive in such a way as always to carry Christ, and not death, to all we pass along our way."

On Second Thot

By GLENN F. LOGAN

This is the time of year when one awakes to the fact that is later than he thinks.

The summer is almost spent and those with kids of school age who haven't taken their vacations yet have only a couple more weeks in which to get them in before the schools open.

More and more persons are switching their vacation periods to the winter months and hie themselves southward to escape the rigors of winter.

The majority, however, still regard summer as the vacation season.

Those who are loaded, of course, divide their vacation time into a number of segments. They can have an early, late and mid-summer vacation and do the same in the fall, winter and spring—and have the Christmas holidays too.

Many of us are envious of those able people who go jogging about the world to keep up with their favorite kind of climate but we shouldn't be. It is quite likely that if one becomes a pro on the vacation circuit, flitting about is no longer a thrill and a joy. It is quite possible that if one is forever on vacation it would become just like a job. What does one do anyway, on a vacation from a vacation? Go to work?

Well anyway, this is vacation time that is almost over and before one knows it the winter round of activities will begin.

Oh, it will be a couple of months or more before one must put the golf clubs away until spring, just as it will be about a month before bowlers get out their equipment and begin the argument with themselves by which they hope to convince themselves that really a new ball is necessary if they are going to roll those high scores of which they are capable.

And the changing off from mower to snowshovel is still just a thought but the winter schedule of activities will resume after Labor day, and folks, that's not far off.

Clubs and organizations that have been dormant all summer are beginning to stir again and September will find them off and running.

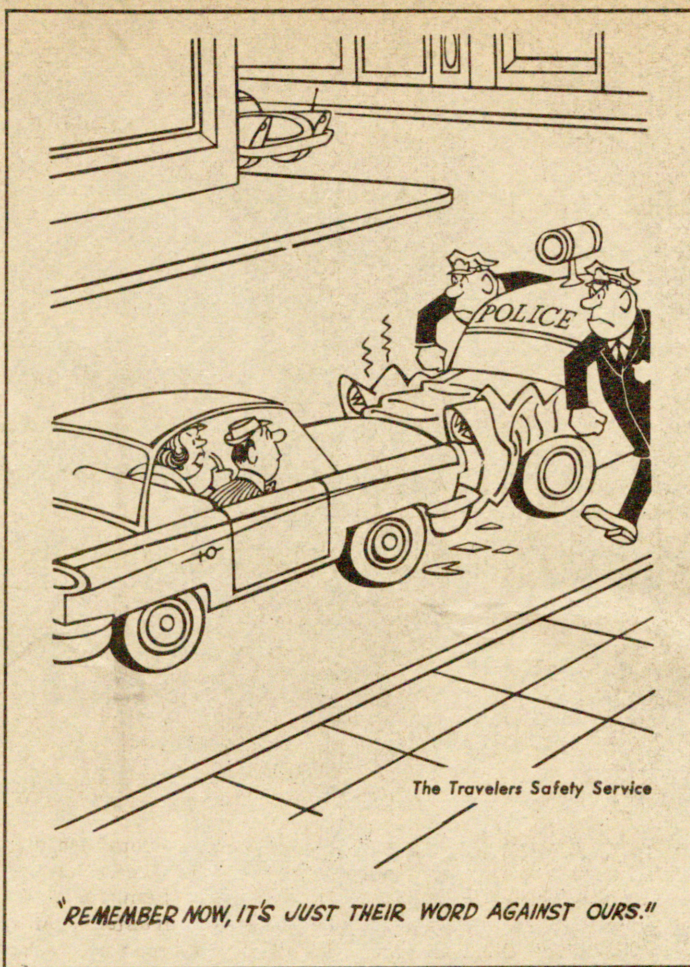

Bowling leagues will start up next month and run until April. Standard time will be resumed in Illinois the last Sunday in October and like the bowling leagues will continue to April.

The summer is drawing to a close and there are many little signs that point that way.

One night last week we heard katydids sounding off. There are some who contend these shrill voiced tree dwellers are harboring-

The Luckless Legion

Business & Finance

BY MARICE P. ANGLAND

The stock market recently has been reflecting the probability of increasing government spending on defense items. The Dow Jones Industrial Average which is often used as an index of rising or falling stock prices, is composed of 30 industrial stocks chosen years ago. Also the Dow Jones index has been showing little activity on the up side, some of the defense stocks have been active with rising tendencies or at least resistance to decline. A number of analysts are recommending stocks of merchandising and finance companies which would also include bank stocks.

A reading of leading financial opinion indicates divided opinion as to the immediate future, but leading opinion seems to expect little decline from this point. Most express belief that the business cycle will start up as demand for manufactured products catches up with present ability to produce.

In a capitalistic society the price paid for a constantly rising standard of living is the shifts in the business cycle. Alert manufacturers are constantly seeking new methods and equipment to enable better and cheaper production. As leaders in an industry push production up and are enabled, under competitive conditions to reduce prices somewhat, less well situated firms find themselves in a "profit squeeze". This "profit squeeze" has been emphasized by the wage-price spiral which has been going on for the past several years. Labor's production has not kept pace with wage increases. Periods of business slowdown usually assist in some greater production efficiency.

In analysis of production percentage such as those published as to percentage of capacity being employed, it must be remembered that there has been very substantial increase in industrial capacity of the country. Therefore, percentage comparison with previous years can be misleading.

We hear much about the competition from products of western Europe and their lower wage scales. This part of the world has been going thru a period of industrial boom. They are now going thru the early stages of a wage-price spiral. There are acute labor shortages and, as is usual in such periods, employers are reluctant to resist wage demands and possible loss of workers thru strikes and competitive bidding for workers. They are also experiencing the expected labor-raids of one firm against another.

WILLIAM F. WHITESIDE
COOK COUNTY ASSOC. FARM
ADVISER Tinley Park KE 2-4374

When many vegetables are near harvest, it is very important to know how many days before harvest a dust or spray can be safely applied to crops. This information is usually found on the label of the packages: The time of the last application before harvest for more common vegetables grown here in Cook County and the pesticides and fungicides used are as follows:

Greenbeans - Captain can be used up to the day of harvest, but Zineb, DDT and Mehoxychlor can last be applied seven days before harvest; Malathion one day, and Parathion 15 days.

Cabbage - Do not apply DDT or Endrin after the heads have begun to form; allow 21 days between last application and harvest date for Aldrin, Dieldrin and Parathion; 3 days for Perthane and one day for Phosdrin.

Corn - DDT and Sevin no limit; Parathion 12 days; Phosdrin one day.

Tomatoes - Captain, Maneb, Zineb and Ziram no limit, Aldrin, Diazinon and Malathion 3 days; Toxaphene 5 days; Dieldrin, Trithion, and Thiodan 7 days, and Par-

athion 10 days, DDT 5 days. Again I repeat, it is important that the above regulations are strictly followed.

4-H members, wishing to participate in the plowing contest and tractor rodeo Aug. 13th, should have sent in their registration forms to my office. The contest will be held on a field located 1/2 mile west of Rte. 45 on the north side of 151st st. The plowing contest will start at 9:30 a.m. There will also be a plow setting demonstration starting at 1 p.m. The tractor rodeo at 2 p.m. Only 4-H'ers are permitted to participate in the events, but the public is invited to attend.

North Dakota split its three electoral votes for the presidency in 1892, giving one to the Democrats, one to the Republicans and one to the People's Party.

The coming election is a special election set by the governor to fill the vacancy that exists in the 12th Judicial District, composed of Will, Kankakee and Iroquois counties.

VICTOR N. CARDOSI For Circuit Judge

The courts of this country constitute the strongest foundation of our democracy. Men of highest principle must preside over our courts — men such as this distinguished public servant from Kankakee. Victor N. Cardosi is admirably qualified by EXPERIENCE, TEMPERAMENT, TRADITION, ENDORSEMENT and BACKGROUND. Victor N. Cardosi is admirably qualified to share the many responsibilities of the 12th Circuit with Judge James V. Bartley of Will County and Judge David E. Oram of Iroquois.

Vote ⊗ Republican

VICTOR N. CARDOSI for CIRCUIT JUDGE

Twelfth Judicial District

ELECTION, TUESDAY, AUG. 16

*igned: PAUL Y. WUNDER, Campaign Chairman, 25 E. Jefferson St., Joliet,

Returns From Climbing Trip To Mt. Ranier

William Alesauskas, a resident of Kimberly Heights, Tinley Park and an employee of the Cooper-Show Ford of Frankfort has returned from Seattle, Wash. He spent four days there climbing Mt. Rainier, Ronald Siderets of Seattle accompanied him on the trip. Both men are members of the German Alpine Club of Munich, Germany and have been climbing various mountains as a hobby for the past four years.

Before starting their trip the men chose one of the seven routes of the mountain that have been tried and chartered by other climbers. Due to weather conditions and glaciers that had broken up during the spring only two routes were passable at the time.

Mr. Alesauskas said the Forest rangers check and test all the equipment taken by climbers and on his trip their total pack weighed 52 pounds.

The climbers fell 1500 feet short of reaching the top of Mt. Rainier (13,000 feet) as they encountered a 300-foot high ice wall and a sheer drop off on another side. After ascending above the clouds there was a vast horizon and they could see as far as California. Descending the mountain they roped themselves together. Mr. Alesauskas said he had no ill effects from the trip but his companion suffered second degree burns on his legs from exposure to the sun.

Both climbers hope to reach the top next year.

MARILYN ZUSAK, 20, of 1123 N. Cedar Road, New Lenox, was chosen queen of the Willett Company at one of the trucking industry beauties who will take part in the 1960 Illinois state truck rodeo on the grounds of the Illinois Tollway Administration Bldg. Cermak and Midwest roads, Hinsdale, Friday and Saturday, Aug. 19 and 20. The best truck drivers in Illinois will be named at the Rodeo, which is conducted annually by Central Motor Freight Association as a public service project promoting driving safety and courtesy. Contestants, each a champion of the company he represents, must be accident free for a period of at least one year in order to be eligible for Rodeo competition. Some of them have driven as long as 20 years without an accident.

Manager Walt Alston used all 20 players, plus 6 of 10 pitchers, in the National League's winning effort in the second All-Star game this year.

Frankfort Illinois

FRANKFORT FIREMEN'S PICNIC draws good crowd. The affair was held last Friday in the form of a fish fry and dance at Valley View Farm, with the proceeds going into the maintenance and operating fund of the department. At the left is Fred Kohlhaugen, chief of the Frankfort department. The other two are trustees of the recently formed Frankfort Fire

Protection district. In the center is Harold Scheer, Green Garden, treasurer, and on the right is Herbert Lambrecht, Frankfort, president of the board of trustees. Albert Swatek, of Lincoln Estates, the other trustee, was not available when this picture was taken. (Marvin Smith Photo)

Schools Ask Lower Rate On Sewers

While the request of the New Lenox grade school board for a lower sewer service rate was not allowed by the village council an interpretation has been placed on provisions in the ordinance to benefit the school.

The rate set for the schools was 25 cents per month per pupil. It is anticipated Supt. John Oster told the village board that the total enrollment this year will be 750. If that figure were used and carried on a 12 month basis the cost would be \$3 per pupil a year.

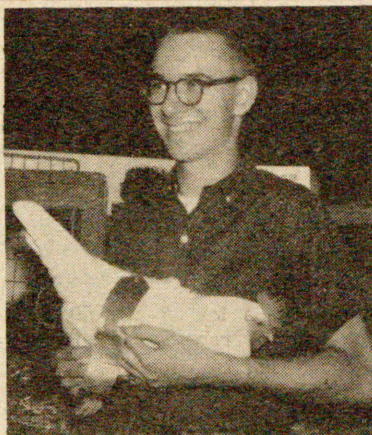

Supt. Oster and John B. Anderson, Jr., a member of the school board, appeared before the village trustees last week to ask if the rate could not be revised downward.

They quoted figures from Mokena where the water and sewer rate together comes to 68 cents a year per pupil; Joliet where the rate for sewer and water is 95 cents a year per pupil and Ludwig district (Lockport) where the sewer and water cost is 85 cents per year per pupil.

The village trustees said they would like to help the schools but if they cut the price materially there it would have to be made up from some other source and they did not want to raise the rate for householders.

The village has agreed, however, to allow the schools to use the average daily attendance---which is used in applying for state aid---figure which for the coming year is expected to run approximately 640 and to collect only for the nine months of the school year. Using such a combination of figures, it was said, it is anticipated the cost of sewer service will be \$2.25 per pupil per year.

New Lenox does not have a central water source to supply the entire village.

PLAINFIELD BOY, Fred Palmer, 14, of the Wheatland, had the champion hen, a DeKalb, and also the champion pen of poultry at the Will county 4-H show.

Mokena Lions Hold Steak Fry

For variation from their regular meeting place the Mokena Lions club held a steak fry in Little Van-Horn woods last Thursday evening. Art Omland and Roy Richardson manned the grills that served the 29 members present.

Following the picnic dinner the business meeting was held in the shelter house. The Lions will meet at Ritt's Restaurant, beginning with their next meeting, Thursday, Sept. 1.

New Lenox School Board Puts Budget At \$415,000

A tentative school budget of \$415,000 was the main topic at the New Lenox grade school board's Aug. 1 meeting. An estimated \$175,000 will go into the education fund and \$240,000 is planned for the building fund, Supt. John Oster reported.

Most of the building fund expense will be for the new addition to Oakview school, Mr. Oster said. The proposed educational fund is up \$13,000 from last year. The superintendent explained this is due to two additional teachers, regular salary increases and extra expenses from operation of a large building. This fund also includes equipment for the new rooms at Oakview.

A public hearing on the proposed budget is scheduled for Sept. 8 at 8 p.m. in Oakview school.

In other businesses, the board considered moving the boiler now in Oakview school to Haven school. The Oakview boiler will be replaced by a gas heating system as recommended by an engineering firm.

The boiler at Haven is over 30 years old, Supt. Oster explained, and a new boiler would cost around \$7,000. If the newer equipment at Oakview can be moved to Haven

at a reasonable cost, heating costs should go down at Haven. The board will take bids for making this change.

The board is currently revising its own operating rules and procedures. Mr. Oster said there has been no change in the rules since the early 1950's. Certain points of faculty-board-administration relations should be brought up to date, he pointed out.

To help in this, the board has packets of sample rules and procedures from the Illinois Association of School Boards. Supt. Oster and two board members, J. Earl Robinson and Evans Drotts, will present new plans at a future meeting.

The board will meet next on Sept. 8. They plan semi-monthly meetings starting in September.

SCHOLARSHIP AWARD

Gwen Dpering, recent graduate of Lincoln-Way high school has been awarded a teacher education scholarship. The announcement was made by George T. Wilkins, superintendent of public instruction at Springfield.

Homer Royal Neighbors To Hold Pot-Luck Picnic Aug. 18

MRS. ELIZABETH ANDERSON
Tel. TE 8-4846

The Good Luck Camp of Royal Neighbors will meet at Dellwood Park at noon Thursday, Aug. 18, for a pot-luck dinner and picnic. Each member is asked to bring her own table service and a dish to pass. There will be no committee in charge, but all are urged to attend. The group held the July meeting at the Park on the 21st, but due to the very hot weather and illness in some member's families, there was a small attendance, so they are repeating the picnic plans.

The Homer Fire Auxiliary picnicked at Dellwood Park on Tuesday of this week. At their monthly meeting Monday evening, the group made plans for a rummage sale to be held in Joliet Sept. 16 and 17. The place will be announced later. Anyone having donations for this sale, please leave with Mrs. B. D. Brankey or Mrs. Fred Gebert, Mrs. Frank Paul is chairman of the event; her phone number is TE 8-6164. Used clothing, dishes, small articles of furniture, cooking utensils and tableware are especially in demand at these sales. The president, Mrs. Gebert announced that she would hold sewing sessions in her home on

Aug. 10 and 24, to stuff toys for the bazaar which will be held in November.

Fire that started in a truck being repaired at the M.E. Cagwin home last Tuesday morning, completely destroyed the truck, but was prevented from doing further damage when the burning vehicle was pulled from the large shed where much equipment was stored. Valuable assistance was given by the Homer Volunteer Firemen who rushed to the scene. Thyra White, a former Homer resident who now lives in a convalescent home near Kankakee, attended Homer Church and was a dinner guest in the home of her sister, Mrs. Robert Jungles, last Sunday.

Vince Adelman, 147th St., celebrated his 9th birthday with a party for 12 young friends at his home the afternoon of July 28, and in the evening, a group of relatives gathered with congratulations and gifts.

Mrs. Clarence Molkentine, Parker Rd., accompanied 10 young people to the Indiana Dunes last Monday, in celebration of her daughter, Dianne's birthday anniversary. A picnic dinner and beach party was enjoyed by all.

Mr. and Mrs. Howard Carlson and family of Bradenton, Fla., have been guests of the Donald Aspels and of relatives in the Princeton area at intervals during the past three weeks. Mr. and Mrs. Lawrence Stalter and son, Bruce, of Tiskilwa spent last Monday and Tuesday in the Aspel home. On Sunday of this week, Miss Dietra Etheridge returned to her home in Wyandot, after spending three weeks with her aunt, Mrs. Aspel and family. The Aspels accompanied her to her home.

Barney Welter has returned to his home on Bell Rd. after several days in St. Joseph's hospital following an accident which occurred as he was operating a tractor on his farm July 28. A piece of metal broke from the machine he was using and struck him in the head, fracturing his skull. He is recovering satisfactorily.

The Homer Twp. Home Bureau unit picnicked at Dellwood Park Monday. Officers were installed for the coming year.

Prowlers have been reported in the vicinity of 147th St. on R.R. 2, and also at 151st and Bell Rd. In the latter place they removed fuses from a fuse box on the house. These two spots are in the same area so it could easily have been

The Missionary Society of Homer Church is planning a bakery sale to be held at the Bump Service Station on Rte. 7 on Sept. 3, to begin at 10 a.m. and last until sold out.

Mrs. Henry Rodgers entertained the Wayside Workers' Circle of King's Daughters in her home Thursday, serving a delightful dessert - coffee at 1 o'clock, assisted by her daughters, Mrs. John White and Miss Faye. Plans were discussed for the cook book which will be sponsored by the Circle. It is hoped that many friends will send their favorite recipes to Mrs. Don Aspel or Mrs. James Elvig before Aug. 15. Mrs. Aspel gave the story of Ruth from the book, "Famous Bible Women", which the group is studying. Miss Faye Rodgers favored with a piano solo. The next meeting will be in the home of Mrs. Clara Kettering on Washington St. Lockport, Sept. 1. Mr. and Mrs. John White and daughter, Laurie, are moving into their new home on East 7th St. Homer Twp.

Mrs. F. J. Paddock left Friday to spend a few days with her sister, Mrs. Earl Leffler, at Naperville. Mr. Laffler is seriously ill.

Funeral services were held Friday at the Schmaedeke Funeral Home, Orland Park, for Mrs. John Brier (nee Freda Meyer), who died at her home on 148 1/2 and Bell Rd. Tuesday, Aug. 2, after a long illness. The Rev. A. Bert Sorensen officiated with burial in Brooks cemetery.

Born in Lemont twp. March 21, 1889 she lived her entire life in Lemont and Homer, where the family farmed until retiring a few years ago.

Surviving are her husband, John; two daughters, Mrs. Claude (Ethel) Colegrove and Mrs. Everett (Hazel) Helm, both of Homer twp; two sons, Willard Burde of Frankfort and Lawrence Burde of Lemont; one sister, Mrs. Wilbert Schutt of Lemont; one brother, Fred Meyer of Lemont; six grandchildren and two great-grandchildren.

Word has been received of the death of Mrs. Thomas (Lillian) Calloway, aged 80, at her home in Burlington, N. J., on Sunday, July 31, following a long period of poor health. Services and burial were held in Burlington Wednesday.

Born in Homer twp. she was the daughter of Mr. and Mrs. Thomas Murray who lived for many years on what is now the Blatus Buck farm, and later, where the Frank Milnes now reside in Lockport twp. She attended Barnet school, and was trained as a nurse in a Chicago hospital. She engaged in nursing for several years before her marriage and lived in Joliet for some time before moving to Burlington.

Besides her husband, she is survived by a daughter, Mrs. Tadge Chieming; one grandson; and two sisters, Mrs. Frank Kreiger of Estherville, Iowa, and Mrs. Georgia Wallace of South Pasadena, Calif. Two brothers David and Horace Murray of Lockport, and a sister Mrs. Lottie Godfrey of Texas, preceded her in death.

Marley Church To Hold Annual Bazaar, Supper Sept. 15

BY VIRGINIA SASS
HU 5-3133

The annual bazaar and supper will be held in the Marley church on Thursday, Sept. 15. Tickets for the dinner will go on sale on Aug. 14 and they must be purchased in advance. No tickets will be sold at the door. Tickets are available from Mrs. Arthur Lauffer, Mrs. Francis Nelson, Mrs. Adella Sprout, Mrs. Alma Kohl and Mrs. Loren Sass. Hours of serving will be 5:00, 5:45, 6:30 and 7:15 o'clock. The Golden Age and New Settler's picnic, scheduled for Aug. 14 in Haley Park, has been postponed until Sept. 25.

A burglary was committed at the home of Mrs. Arthur Lauffer Sunday afternoon, July 31 between 4 and 7 o'clock. It is believed that entrance was gained through the basement as all other doors were locked. Items stolen were a mantle clock, a transistor radio in a leather case, silver-ware, jewelry and a collection of arrow heads.

The Twelve Trumps met Wednesday night at the home of Mrs. John Riley. Prizes were awarded to Mrs. John Hasibar, Mrs. Henry Volz and Mrs. Herman Benck. Refreshments were served by the hostess.

Charles Lauffer was host to a group of his room-mates and their parents of Bradley University at a picnic on Sunday at the home of his parents, the Russel Lauffers.

Darrel Cleveland is spending a two-week furlough at the home of his parents, Mr. and Mrs. Clayton Cleveland. He is stationed with the army in a camp in Georgia.

The Woman's Missionary Society of the Aurora Baptist Association met in Haley park on Aug. 4 for their annual retreat. Upon their arrival coffee and cookies were served by the ladies of the Marley Missionary society. Ap-

Green Garden David Dralles Win Trip To Europe

MRS. KATHARINE HEISNER
Tel. Frank, 5187

Mr. and Mrs. David Dralle have won an eleven day trip to Paris and Rome with 39 other couples of the Great Lakes Region thru the General Motors Corp. on Chevrolet sales during the months of May and June. The European trip will be made as personal representatives of President Dwight Eisenhower. The group will go to Washington, D.C. and from there to New York where they will board a trans Atlantic plane for their flight abroad.

HOME BUREAU UNIT
Mr. and Mrs. Harold Scheer entertained the Green Garden unit members and their families Saturday evening, beginning with a pot-luck supper and corn roast at 6:30.

Mr. and Mrs. Harlan Marr and family of Tucson, Arizona arrived last Thursday at the home of her sister, Mr. and Mrs. David Dralle. They will spend two weeks visiting with them and other relatives and friends.

METHODIST CHURCH NEWS
Mrs. Earl Bettenhausen, Miss Emma Andres and Mrs. Chester Steinberg presented the program and devotions at the WSCS meeting, Wednesday afternoon, beginning with dessert-coffee. Hostesses were Mrs. Arnold Landeck and Miss Emma Andres.

proximately 100 women, representing churches from Joliet, Morris, Aurora, Batavia and Marley were in attendance. The day was spent in worship and in training to prepare and serve. Mrs. Abel Bryson, of Joliet and president of the group, conducted the morning session. A pot luck dinner was served at noon. In the afternoon, members were divided into groups for counterpart conferences, "That All May Know".

Mrs. Mary Marshall was a guest at a club picnic on Thursday at the home of Mrs. William Haley in Joliet.

Mrs. Mary Griffin and family have returned to their home after spending 3 weeks with relatives in Ohio.

Mr. and Mrs. Charles Elliott spent the past week at their summer home at Lac du Flambeau, Wis.

Mr. Harry Sabin is spending several days with his son and family, the Homer Sabin in New Jersey.

Local college students were honored at a progressive supper on Wednesday Aug. 10, by the Marley BYF. The first course was served at the home of Jane Griffin with Doreen Smith assisting; Salad at the home of Lee Fears with Paul Bruns assisting; the main course at the parsonage with Connie and Roger Corp, the Stellwagens and Bonnie Sproat in charge. Berg as co-hostess, and dessert at the Bonnie Sproat in charge; and dessert at the Russel Lauffers with Louise Berg as co-hostess.

WILL FIX STREET
A petition carrying 26 signatures was presented to the New Lenox village board last week asking that East Wood street be opened to Cedar. The board agreed to install a culvert now and to use some of the excess earth from sewer excavations for fill on a portion of what will become a thoroughfare.

HOME FROM SPAIN -- Phillip Howell, a staff sergeant with the U. S. Air Force, his wife, Mary, and two sons, Allen (left) and Curtis, are in Mokena visiting his parents, Mr. and Mrs. Ralph C. Howell, Front st. Sgt. Howell has been stationed at Madrid in Spain. He is scheduled to report at Barksville Base, Shreveport, La., Sept. 6. Sgt. Howell is a teletype repairman and plans to make the Air Force his career. (Marvin Smith photo)

CHAMPION RABBIT of the 4-H show last week was a Zealand White entered by Tommy Jones, 10, of Joliet, a member of the Plan Pushers 4-H unit.

IT TAKES A HEAP OF FIXIN' to get steer ready for the show ring. Don Kestel, a member of the Jackson Champions 4-H group was getting a hand from his sister, Karen, in getting his entry washed and brushed for the annual Will county 4-H livestock show held last week. "Crowder," that's the entry's name, didn't win a championship but it came close.

JUNIOR CHAMPION SHOWMAN in the dairy division of the 4-H school last week was Bernard Heisner, of the Willing Wilton Workers. That tray he is holding was the trophy he won. Incidentally that is a nice looking Holstein Bernard was showing.

Advise Test Of Pastures

Farmers perplexed by poor pastures this summer might take a tip from the University of Illinois Dixon Springs Experiment Station. Pasture-makers at this station refertilize pastures every five to six years, or at every rotation. More important, they use soil tests to determine how much fertilization the pastures need. They've found that these practices pay off in nutritious forages that produce sleek cattle and contented sheep.

Before seeding new pastures in the fall, these men make bulk applications of lime and phosphate. In addition, they broadcast or drill more fertilizer with the seeding. A typical treatment on Dixon Springs pastures includes (1) 100 pounds of 48 percent superphosphate per acre and (2) 100 pounds of 60 percent muriate of potash per acre. This is in addition to the lime and rock phosphate called for by the soil tests. On soils low in potash, the 100 pounds of potash is certainly not enough.

AUCTION

METAL AND WOODEN School building at Green Garden attendance unit, intersection of Monee - Manhattan Rd., and Frankfort Rd. Building to be sold at Public Auction on August 13, 9:30 A.M.

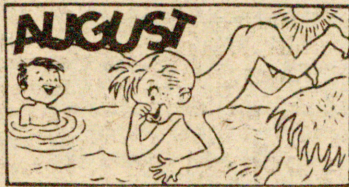

WOODEN SCHOOL BUILDING at the Wilton Township unit which is located at Wilton Center will be sold at Public Auction, Saturday, August 13 at 10:30 A.M.

Soil District Plans Tour Of Farms

The annual Will County Soil Conservation District will tour the Peotone farm areas, Tuesday, August 30, announces chairman, Loren Sass. In case of rain it will

be held the following day, Wednesday, Aug. 31. Some of the things that will be seen are a farm pond, contour strip cropping, a gully control and tile outlet structure, grass waterways, and a good crop rotation.

At the recent board of directors meeting held Wednesday, August 3 plans were discussed for a display at the Farm Progress show in September. The board voted to pay the expenses for a 4-H boy to go to the 4-H Forestry camp.

August 1, 1950—President Truman signed the bill granting U. S. citizenship and limited self-government to residents of Guam.

Aug. 5, 1858—The first communications cable across the Atlantic was completed.

Aug. 14, 1935 — President Roosevelt signed into law the Social Security Act.

Aug. 19, 1856—Gail Borden obtained a patent on a process for producing condensed milk.

Aug. 22, 1851—The "America" won the first international yacht race.

VEGETABLE CART wins first prize in exhibition garden event of the Will county 4-H show. And this was literally a vegetable cart that was entered by Alan Heatherwick, 17, of Frankfort, a member of the Town Hall Blue Winners 4-H group. The sides and bottom were framed of cabbage leaves and the wheels were of onion slices with carrots and rhubarb forming the hub assembly. The interior of the cart was filled with various vegetables.

PERENNIAL CHAMPION is Ronald Werner, 17, a member of the Peotone Pep Pushers. His floral exhibit and garden design in the home beautification division of the Will county 4-H show took first prize again. Ronald has had entries in this division in six 4-H shows and has carried off the championship five times.

Personal 14
THANKS to our MOTHER &
FATHER, for all favors grant-
ed.
Mr. and Mrs. Paul Monstwill

CARD OF THANKS
I wish to thank all my friends
for the many get-well wishes
sent me while I was confined in
Silver Cross Hospital.

Also thanks to Rev. Kenneth
Crandall for his welcome visits.
Mrs. Mildred Bettenhausen
Tinley Park

CARD OF THANKS
We would like to take this op-
portunity to thank all our neigh-
bors, friends, boy scouts and
their leader, all policemen, state,
county and villages, firemen,
civil defense, and all relations,
who helped in any way to find
our missing boy. A special thanks
to those that furnished airplanes
and their time. It is only at a
time like this that one finds he
has so many friends. Thanks and
thanks again.

Mr. and Mrs. Raymond
Bisgrove and family
Mokena, Illinois

Will Mrs. Davis (who lived
with her mother on Circle Rd.,
Mokena) or anyone who knows
her, please write or phone
Robert Boyer, Wolf Rd., Mo-
kena 5962.

CARD OF THANKS
We wish to express our sin-
cere thanks to the children of
Freehauf street who so unself-
ishly contributed the entire earn-
ings from the fun fare to the
Leukemia Research Foundation.
It was a wonderful tribute to
the memory of our beloved son,
Danny.

Mr. and Mrs. Charles Pierce

CARD OF THANKS

The family of Mrs. Jennie
Cooper wish to extend their
thanks to the many neighbors,
relatives and friends for their
expressions of sympathy during
her recent illness and death; to
Mildred Maue and Danny Sass
for their beautiful music during
the services; to Rev. Wimmeler
and Rev. Riemann for their many
visits and prayers of comfort.
The Herbert Cooper family

57 Area Youths Complete "Y" Swim Course

Thursday, July 28, 57 local
youths completed the first series
of instructed swimming lessons
offered by the Palos-Orland YMCA
in the beautiful new Carl Sandburg
high school pool.

Children in the classes just
completed were from Worth, Or-
land Park, Palos Heights, Palos
Hills, Palos Park and Mokena.

A parents day viewing of their
youngsters' accomplishments was
scheduled for the final class ses-
sion and the following award cards
of the National YMCA Aquatic
Program were presented.
Jellyfish; Scott Sousa, William
Fullerton, Gregory Paetow,
Deborah Trent, Bruce Cooper and
Loren Wertzbaugher.

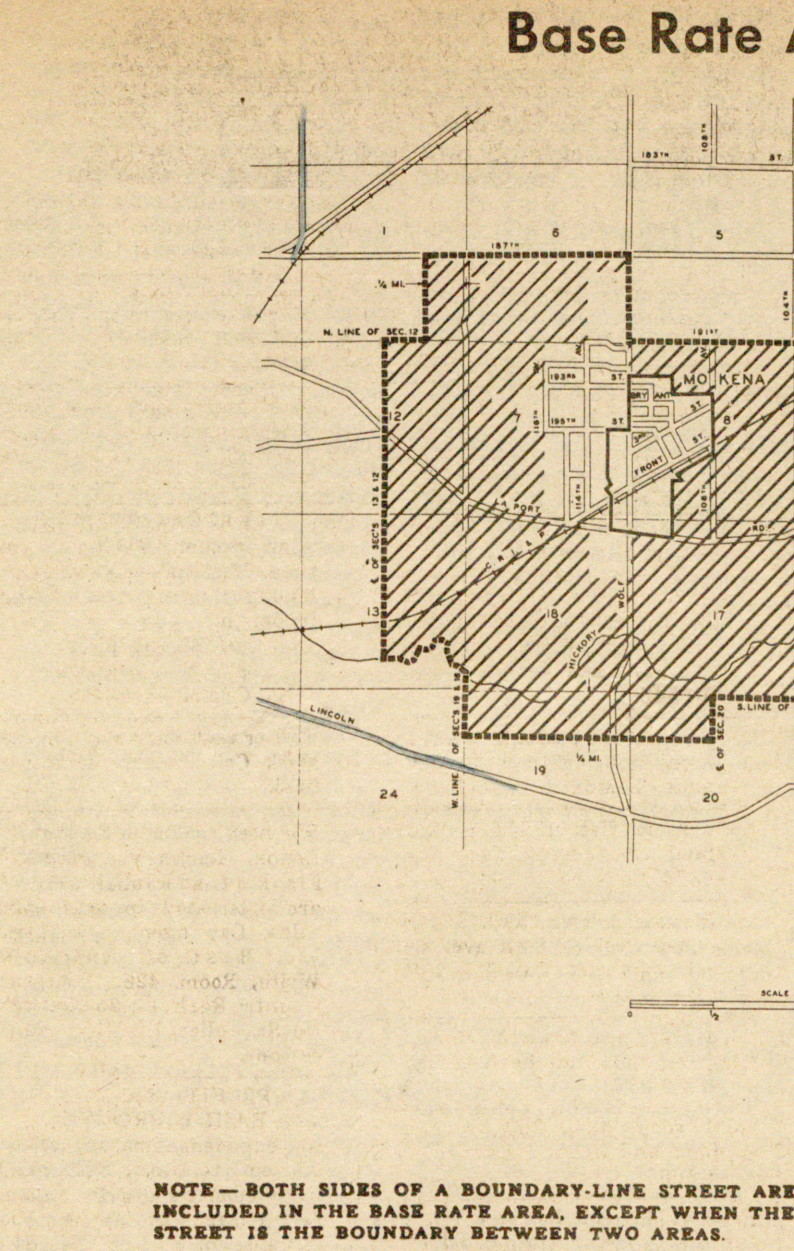

Jellyfish and Tadpole; Terry
Mahaffay, Mary Ellen Boyd, Linda
Fisher, Diana Fullerton, Barbara
Hilbrecht, Ruthjo Modder, Patty
Byrne, Linda Gill, Mark Smith,
Deborah Steeples, Carol Raydon,
Jean Hausknecht, Carol Bozic,
Sharon Luecking, Brian Sousa,
Ronald Patrick, Douglas Ranney
and Bill Ranney.

Minnow; Scott Luecking, Larry
Anderson, Steve Raydon, Bill Kool,

Browsing Through The Cold Stove League

By Dean Dallas, Semmler Press
Sports Editor

It is rather interesting to see
what has been done to Billy Martin
of the Redlegs for his fight with
the young Chicago Cub pitcher.
It seems that Martin should have
remained in the fight game.

He did, in spite of sneak attack
charges, give Brewer a terrible
jolt. In fact, it was a dangerous
blow that felled the Cub youngster.
Phil Wrigley had every right to
scream about the light sentence
that Mr. Martin has been granted.
Martin has been allowed to push
anyone around that he cares too
in his major league career. Or bet-
ter, anyone that he can. Perhaps,
Bill Hunter, one time shortstop for
almost every team in the American
League, is the only man to have
the distinction, dubious to be sure,
of knocking Mr. Martin around.
Maybe this is Hunter's only dis-
tinction.

Martin is a "bad" one. Money
doesn't mean too much to many of
these fellows and if a man is con-
sidered valuable to the team --
just what is to keep the clubhouse
from help to pay for the fine.

Mr. Giles should have consid-
ered a rather lengthy suspension in
the opinion of this writer. We don't
attend the baseball games to see a
rather juvenile exhibition of first
bad manners and then a rather
abrupt, but idiotic display and tem-
per and blows.

The "jawing" on the umpires by
various players and manager has
become somewhat of a joke. Every
umpire has the right to toss out a
man after one simple protest.
If that person cannot convince the
umpire then the argument should
be over. The men in blue are tak-
ing far too much that will help to
ruin the game. They are in the
game to call the balls and strikes
and the various plays -- not to form
the debate society of this or that
league.

Mr. Martin should have been
given the book. Perhaps a month on
the bench would have sufficiently
cooled off the temper. Easy-going
Casey Stengel had to get rid of him
for the night club brawl.

The public isn't sure that they
want such nonsense in a "monkey
suit".
Martin should learn that base-
ball has been good to him. It will
continue to be so as he acts the
part of a man and not a boy.

Yes, And I'm glad that I've said
it.

Farm Bureau Trap Team Win Honors

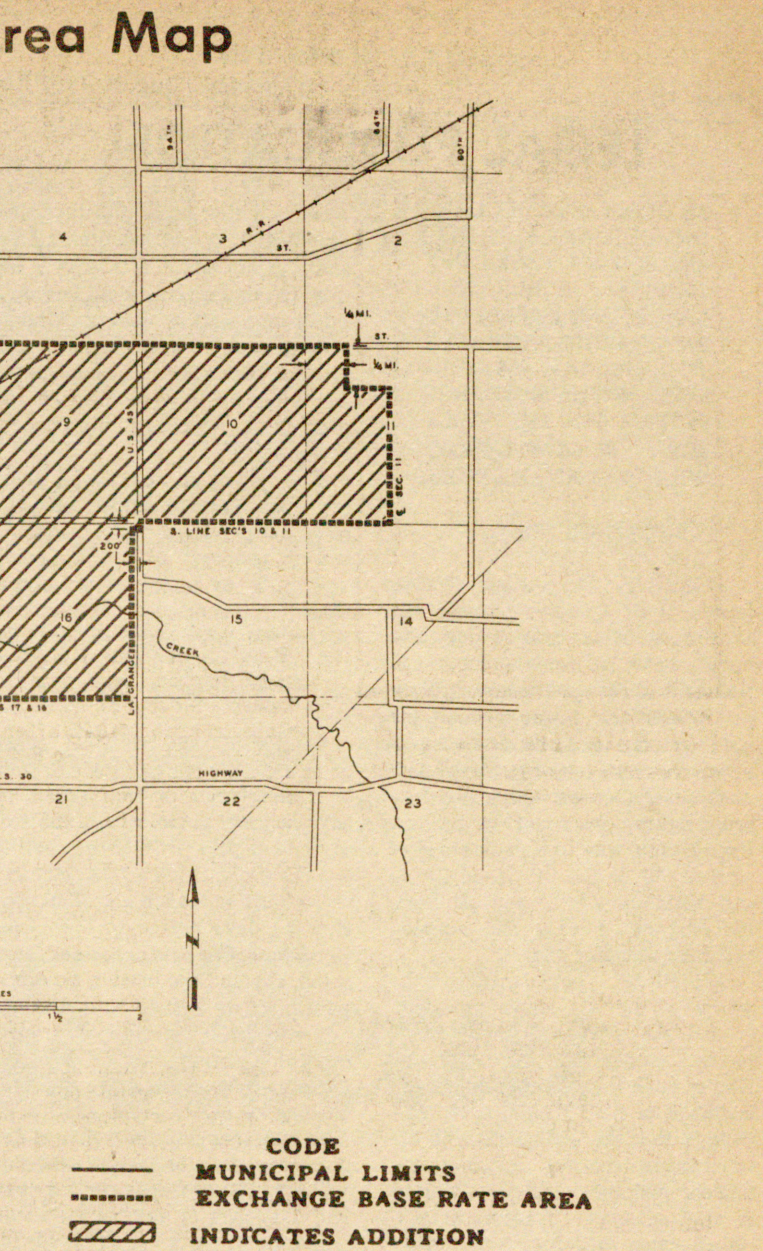

Led by Bob Loitz, Peotone and
George Killinger, Elwood, the Will
County Farm Bureau Trap Team
captured most of the honors for
the second year in a row at the
State Sports Festival Trap Shoot
held last Thursday near Spring-
field.

Loitz, with a perfect score of 50
and Killinger with 49, took the two-
man team trophy and two-man dou-
bles team event while leading the
A-team of five to a winning score
of 242 of a possible 250. Shooting
with Loitz and Killinger on the A-
team were Joe Steinke and Frank
Morris with 48 each and Dan Glenn
with 47.

The B-team also won their event
with a very creditable score of 231.
B-team shooters were Les Schaal,
Homer Loitz and Irwin Latz with
47 each; Robert Cockle -- 46 and
Tom Dunn with 44. Rounding out
the 15-man team were: Dick Camp-
bell, Bob Grimm, Bernard Morris,
Emory Nadler and Myron Fitz-
henry.

The rule which prevents any
shooter from winning more than
two trophies prevented more pos-
sible victories. But for this rule,
Bob Loitz would have tied for in-
dividual high, Killinger for the old
timer and Bob and Erwin Loitz for
the father and son team. Since
they already had their quotas of
trophies, these awards went to
other contestants.

The Old Timer
"Some people are more
even-tempered than others...
they're mad all the time."

150 Phone Users To Get Urban Rates

Elimination of extra charges
affecting almost 150 telephone cus-
tomers near Mokena has been pro-
posed by Illinois Bell. The tele-
phone company has filed a tariff
with the Illinois Commerce Com-
mission in Springfield to enlarge
its base rate area.

The tariff charges will permit
telephone users being added to the
Mokena base rate area to have ur-
ban type service without payment of
an extra mileage charge.

Illinois Bell manager, Jane
Vultz, said the change is effective
this Saturday, Aug. 13. Customers
affected are located in an area

surrounding the village of Mokena.
Miss Vultz said that extra mile-
age charges will be eliminated for
about 76 customers, another five
customers would receive reduc-
tions and 64 residence customers
in the area who have had rural
service have ordered urban type
service.

Addition of a considerable a-
mount of equipment was required
to make the addition to the Mokena
base rate area. Substantial a-
mounts of wire in cable were
added, in addition to changes made
in the Mokena community dial of-
fice.

5,000 Midget Fans to See Hoosiers in Speed Duel

The Hoosier state's two contri-
butions to Joliet auto racing will be
gunning for their first feature
victory when the midget cars re-
turn to action Saturday night at
Joliet Memorial Stadium.

Leon (Jigger) Sirois of Shelby,
Ind., and Bob Harkey of Gary have
figured prominently in nearly
every racing program so far this
summer, but neither has been able
to solve the formula for victory in
the main event.

Harkey, a track veteran, is the
1959 NASCAR midget auto racing
champion. Sirois, a 25 year old
mechanic with three years of rac-
ing experience, is still looking for
his first title.

The two Hoosiers will have
plenty of competition Saturday,
from such standouts as Tony Lenti
of Markham, Ray Elliott of Lock-
port, Bill Beam of Rockdale, John
Lode of Chicago, Byron Fisher of
Lemont, and Jolietans Tuss
Sweedler and Bernie Wilhelm.

Nearly 5,000 auto racing fans
are expected to watch Saturday's
program, which begins with time
trials at 7:30 p.m. and the first of
seven races at 8:30 p.m. Included
on the card will be four heat
races, a handicap, 15 lap semi-
feature and 25 lap feature.

Corn Stocks Disappearing

BY L. H. SIMERL
AGRICULTURAL ECONOMICS

Our big stocks of corn have been
the subject of many articles and
speeches. Hardly anyone seems
to be aware of the more impor-
tant fact that the corn is being
used at a record-busting rate. This
high use is all the more signifi-
cant because farmers are reported
to be feeding the smallest number
of hogs since 1953.

Last Oct. 1 the carryover of old
corn was officially estimated at
1,530 million and the 1959 crop
(grain only) at 3,989 million
bushels. That made a total supply
of 5,520 million bushels. At that
time it was widely proclaimed
that the carryover of old corn
this fall would be 600 million bush-
els larger than last year.

One major development since
last fall would seem to have added
even more to the carryover: In-
stead of increasing hog production
as was then expected, farmers cut
the 1960 spring pig crop by 16
percent.

But we now have strong evidence
that the addition to the carryover
will be much less than the 600
million bushels claimed earlier.
Total disappearance of corn from
last Oct. to July 1 is officially
estimated at 2,958 million bushels
over 9 percent more than a year
before. These increases in disap-
pearance appear to be the result
of several conditions: (1) The
quality of much of the 1959 crop
was low, (2) farmers fed 8 to 20
percent more cattle and (3) more
broilers were produced.

This high rate of disappearance
left 2,563 million bushels on hand
July 1, or only 355 million more
than a year before.

Disappearance of corn in the
current fourth quarter will surely
be at least as large as it was
a year ago. We are still using
the same crop of corn. Farmers

LEGAL PUBLICATION

AN ORDINANCE DECLARING CESSPOOLS, SEPTIC AND SEWAGE TANKS AND PRIVIES A PUBLIC NUISANCE, AND ESTABLISHING CHARGES AND RATES FOR THE USE AND SERVICE OF THE SEWERAGE SYSTEM OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS.

ORDINANCE NO. 83

WHEREAS, the Village of New Lenox, Will County, Illinois has heretofore by Ordinance duly adopted, provided for the construction of a sewerage treatment plant and a sanitary sewer system for said Village and the issuance of sewer revenue bonds to defray part of the cost of constructing such improvements, pursuant to and in compliance with the provisions of Article 60 of the "Revised Cities and Villages Act", and all laws amendatory thereof and supplementary thereto; and,

WHEREAS, pursuant to the terms of the Act above referred to and the Ordinance heretofore passed authorizing the construction of such improvements and the issuance of said bonds, it is necessary that the Village charge the inhabitants thereof for the use thereof and the services supplied by said sewerage system, established rates therefor, and provide for the collection thereof; and,

WHEREAS, it is necessary that the Village assure the payment of the rates established for the use of said sewerage system.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, as follows:

Section 1. That there shall be and there are hereby established rates or charges for the use of and for the service supplied by the sewerage system of the Village of New Lenox, Will County, Illinois, as follows:

FOR SINGLE DWELLING RESIDENCES \$5.00 per month
FOR COMMERCIAL ESTABLISHMENTS \$7.50 per month
FOR CHURCHES \$7.50 per month
FOR SCHOOLS .25 per month per pupil

and such other rates as shall from time to time be established by the said Village of New Lenox, Will County, Illinois.

Section 2. That for the purpose of the operation of the sewerage system, the calendar year shall be divided into quarterly periods, said periods to begin on the first days of the months of January, April, July and October. The rate or charges for service above provided for, shall be payable quarterly on the first day of the month immediately following the end of the quarterly period for which service has been supplied. The owner of the premises, the occupant thereof and the user of the service shall be jointly and severally liable to pay for the service on such premises and the service is furnished to the premises by the Village of New Lenox only upon the condition that the owner of the premises, the occupant and user of the service are jointly and severally liable therefor to the Village of New Lenox.

All bills for service shall be rendered quarterly as of the first day of the month succeeding the quarterly period for which the service is billed, or as soon thereafter as possible, and shall be payable not later than the close of business on the 15th day after the date the bills are rendered. If payments of the full amount of the bill are not made within said period, then a penalty of ten (10) per cent of the amount of the bill shall be added thereto.

Section 3. In the event the charges for service are not paid within thirty (30) days after rendition of the bill for such service, such charges shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute liens upon the real estate for which such service is supplied, and the Village Treasurer is hereby authorized and directed to file sworn statements showing such delinquencies in the Office of the Recorder of Deeds of Will County, Illinois, and the filing of such statements shall be deemed notice for the payment of such charges for such service.

Section 4. If the rates or charges for such services are not paid within thirty (30) days after the rendition of the bill for such services, such services shall be discontinued without further notice and shall not be reinstated until all past due bills including the penalties thereon are paid in full, together with payment made of \$5.00 for reinstating such service.

Section 5. Upon completion of the construction of the sewer system in and for the Village of New Lenox, it shall, in the interest of the public health and welfare, be, and here is declared mandatory that all residences, commercial establishments, schools, churches and other structures located within the Village of New Lenox, be connected to said sewerage system. Any such owner, or occupant, or property failing to connect to said

system within sixty (60) days after completion of the construction of said system and availability of and service therefrom, shall be charged a connection fee of \$150.00.

Section 6. No cesspool, septic or other sewage tank, seepage bed or privy shall be constructed on property to which a public sewer is accessible.

The use of all cesspools, septic or other sewage tanks, seepage beds and privies already constructed on property to which a public sewer is or becomes accessible shall be discontinued not later than sixty (60) days after the completion of the construction and availability of said public sewerage system.

Section 7. Any cesspool, septic or sewage tank or privy which shall be constructed or maintained on any property in violation of the provisions of this Ordinance, shall be and the same is hereby declared to be a public nuisance and shall upon five (5) days notice to the owner or occupant of said premises, be abated. Should the owner, or occupant, fail or refuse to abate said nuisance within five (5) days after receiving notice thereof from the Village of New Lenox, then the Village of New Lenox shall abate said nuisance and the owner of said premises shall be liable to the said Village of New Lenox for the costs and expenses of abating the same.

Section 8. It is hereby made the duty of the Village Treasurer of the Village of New Lenox to render bills for service and for all rates and charges in connection therewith and to collect all moneys due thereon.

Section 9. All revenues and moneys derived from the operation of the sewerage system shall be held by the Village Treasurer separate and apart from his private funds and separate and apart from all other funds of the Village, and all of said sum, without any deductions whatever, shall be deposited by the Village Treasurer, not more than ten (10) days after receipt of the same, or at such more frequent interval as may from time to time be directed by the Village Board, in a separate fund designated as the "Sewerage Revenue Fund" of the Village of New Lenox, and said Treasurer shall administer such fund in every respect in the manner provided by the provisions of Article 60 of the "Revised Cities and Villages Act," and all laws amendatory thereof and supplementary thereto.

Section 10. The Village Treasurer shall establish a proper system of accounts and shall keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relative to the sewerage system, and at regular annual intervals he shall cause to be made an audit by an independent auditing concern of the books to show the receipts and disbursements of the sewerage system.

Section 11. That a copy of this Ordinance, properly certified by the Village Clerk, shall be filed in the Office of the Recorder of Deeds of Will County, Illinois, and shall be deemed notice to all owners of real estate of their liability for service supplied to any user for the service of the sewerage system of said Village on their properties.

Section 12. Any person, corporation or firm, violating any of the foregoing provisions of this Ordinance shall upon conviction be fined not less than \$5.00 nor more than \$100.00 for each offense; provided however, that each and every day that said provisions herein are violated shall constitute a separate offense.

Section 13. All ordinances and parts of ordinances in conflict herewith are hereby repealed insofar as the conflicting portions thereof are concerned.

Section 14. This Ordinance shall be in full force and effect upon its passage and publication as provided by law.

Passed this 3rd day of August, 1960.

AN ORDINANCE PROVIDING FOR SANITARY SEWER HOUSE CONNECTIONS AND THE INSPECTION AND REGULATION THEREOF IN THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS.

ORDINANCE NO. 84

WHEREAS, the Village of New Lenox has constructed a sanitary sewer system in and for the Village of New Lenox, Will County, Illinois, which system installs sanitary sewer service to the property line of each respective home owner in said Village of New Lenox, Will County, Illinois; and,

WHEREAS, it is necessary for each home owner to install his own

service lines from his home to the laterals at the property line; and,

WHEREAS, it is necessary that said lines be of a certain type of construction and that said construction be supervised by a duly authorized agent or employee of said Village.

NOW, THEREFORE, BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, as follows:

Section 1: DEFINITION OF BUILDING OR HOUSE SEWER: Building or House Sewer: That part of the horizontal pipe which begins outside of the wall of a building and connects the "House Drain" with the main public sewer or other disposal terminal.

Section 2: SPECIFIC REQUIREMENTS:

(a) Rain Water Leaders: Roof leaders, surface drains or ground water drains shall not be connected to the sanitary sewer.

(b) Independent System: Each house sewer and drainage system shall be independent of that of any other building except as provided below:

Where the building stands in the rear of another building located on an interior lot, the house sewer from the front building may be extended to the rear building and the whole considered as one house sewer.

(c) Connection to the Main Public Sewer: Before any connection is made to a public sewer, an Application for a Building Permit for such connection must be filed with the Village Clerk of said Village upon the proper form provided thereof together with the sum of Three (\$3.00) Dollars for each connection. Each connection shall be made at the "Y" designated for that property, and any connection not made at the designated "Y" in the main public sewer shall be made under the direct supervision of the Building Inspector.

A "Y" or "T" fitting shall be installed near the building foundation to provide for cleanout purposes.

Section 3: SUPERVISION: Building Inspector: The Building Inspector of the Village of New Lenox shall supervise all house sewer connections and excavations for the purpose of installing and repairing same, and shall be paid such fees as may be determined by the President and Board of Trustees of said Village from time to time by Resolution.

Section 4: SPECIFICATIONS: (a) Material: All house sewers shall be constructed of either Vitrified Clay Sewer Pipe meeting the A. S. T. M. Standard Specifications for Clay Sewer Pipe, or Cast Iron Soil Pipe meeting A.S.T.M. Standard Specifications for Cast Iron Soil Pipe and Fittings.

(b) Joints and connections: (1) Vitrified Clay Sewer Pipe shall be fitted with factory made Resilient Compressing Joints meeting the A. S. T. M. "Specifications for Vitrified Clay Pipe Joints Having Resilient Properties" (Designation C-425).

Before joining the pipe in the trench, the bell and spigot surfaces shall be wiped free of dirt or other foreign matter. A lubricant or sealer as recommended by the Pipe Manufacturer shall be applied to the bell and spigot mating surfaces just before they are joined together.

The top or one side of the spigot end shall be positioned into the bell end of the pipe previously laid and shall then be shoved home to compress the joint and to assure a tight fit between the interfaces. Special Compression Adaptors or Field Unions shall be used where connections are made to street sewers, building drains, cut pipe, or to pipe lines already in place.

(2) Joints for Standard Weight Cast Iron Soil Pipe shall be made by inserting a roll of hemp or jute and thoroughly caulking it into place and then following with pure molten lead well caulked, not less than one inch deep. No paint, varnish or putty will be allowed in the joints until they have been tested.

(c) Size of House Sewer: No house sewer shall be less than four inches in diameter. No building or house sewer for a commercial building or a multiple dwelling shall be less than six inches in diameter.

(d) Grades for House Sewers: Unless otherwise authorized all house sewers shall have a grade of not less than one-eighth (1/8) inch per foot. A grade of one-fourth (1/4) inch per foot shall be used wherever practical.

(e) Trenching and Backfilling: All excavations shall be open trench work unless otherwise authorized by the Building Inspector. The foundation in the trench shall be formed to prevent any subsequent settlement of the pipes. If the foundation is good, firm earth, the earth shall be pared or molded to give a full support to the lower quadrant of each pipe. Bell holes shall be dug. Where the floor of the trench is hard or rocky material, the trench shall be excavated to four inches below grade and brought back to the proper grade with fine gravel, coarse sand or similar material so as to provide a firm foundation and uniform support for the house sewer line. Backfilling shall be placed in layers and solidly tamped or packed up to two feet above the pipe. Backfilling shall not be done until final inspection is made by the Building

Inspector.

(f) Use of Old House Sewers: Old house sewers or portions thereof may be approved for use by the Building Inspector. The Building Inspector may request that the old sewer be excavated for the purpose of facilitating inspection. No old cesspool or septic tank shall be connected to any portion of a house sewer that is also connected to the public sewer.

(g) Location of House Sewer Lines Near Wells: When any portion of a house sewer is within fifty (50) feet of a well used for supply of drinking water, such portion of the house sewer shall be constructed of Cast Iron Pipe with Leaded Joints as described in paragraph 2 of Section 4 above.

Section 5: INSPECTION: Each and every part of the house sewer shall be inspected and approved by the Building Inspector before being concealed or backfilled.

Section 6: PENALTY: Every person, company, firm or corporation failing to comply with any of the provisions of this Ordinance, or with an Order issued by the Board of Trustees hereunder, shall be fined not less than \$10.00 nor more than \$200.00 for each offense, and each day that any such person, company, firm or corporation shall fail to comply with any of the provisions of this Ordinance or the Orders issued hereunder shall constitute a separate and distinct offense.

Section 7: SEVERABILITY: If any section, paragraph, sentence or clause of this Ordinance is held invalid or unconstitutional, the remaining sections, paragraphs, sentences and clauses shall continue in force and effect and shall be construed thereafter as being the entire provisions of this Ordinance.

Section 8: EFFECTIVE DATE: This Ordinance shall be in full force and effect from and after ten (10) days after its passage, approval and publication as provided by Statute.

Passed this 4th day of August, 1960.

Published by publication in the New Lenox Press on the 11th day of August, 1960.

ORDINANCE NO. 211

AN ORDINANCE AMENDING THAT CERTAIN ORDINANCE ENTITLED "AN ORDINANCE ADOPTING COMPREHENSIVE PLAN OF PUBLIC IMPROVEMENTS LOOKING TO PRESENT AND FUTURE DEVELOPMENT OF THE VILLAGE OF ORLAND PARK", BEING ORDINANCE NO. 145, ADOPTED AUGUST 27, 1956, AND APPROVED AUGUST 27, 1956.

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1
AMENDMENT. That Section 7. Procedure for Approval of Subdivision of that certain ordinance entitled "An Ordinance Adopting Comprehensive Plan of Public Improvements Looking to Present and Future Development of the Village of Orland Park", being Ordinance No. 145, adopted August 27, 1956, and approved August 27, 1956, be amended by adding thereto the following subsection numbered 8:

Section 7. Procedure for Approval of Subdivision.

8. Plat Approval Fee. In addition to all inspection fees, reimbursement of expenses and other fees relating to the subdivision of real estate provided for by this Ordinance or other Ordinances of the Village or resolutions of the Board of Trustees of the Village, the subdivider shall pay to the Village Clerk upon approval of a final plat of subdivision a plat approval fee in the amount of ten dollars (\$10.00) for each lot shown on said plat of subdivision.

Section 2
REPEAL. That all ordinances or parts of ordinances in conflict with the provisions hereof are hereby repealed in so far as they conflict herewith.

Section 3
EFFECTIVE DATE. That this ordinance shall take effect and be in full force from and after its passage, approval and publication in the manner prescribed by law.

PASSED this 25th day of July, 1960.

ORDINANCE NO. 212

AN ORDINANCE AMENDING THAT CERTAIN ORDINANCE ENTITLED "AN ORDINANCE ESTABLISHING PROCEDURES FOR THE ISSUANCE OF BUILDING PERMITS AND ESTABLISHING FEES TO BE CHARGED THEREFOR", BEING ORDINANCE NO. 160, ADOPTED JULY 22, 1957, AND APPROVED JULY 22, 1957.

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

Section 1
AMENDMENT. That Section 6,

subsection A, 1 of that certain ordinance entitled "An Ordinance Establishing Procedures for the Issuance of Building Permits and Establishing Fees to be Charged Therefor", being Ordinance No. 160, adopted July 22, 1957, and approved July 22, 1957, be amended to read as follows:

1. Residence Buildings, per 1,000 cubic feet - \$10.00

Section 2
AMENDMENT. That that certain ordinance entitled "An Ordinance Establishing Procedures for the Issuance of Building Permits and Establishing Fees to be Charged Therefor", being Ordinance No. 160, adopted July 22, 1957, and approved July 22, 1957, be amended by adding thereto a Section 3 A immediately following Section 3 and a Section 6 A immediately following Section 6, said Sections 3 A and 6 A to read as follows:

Section 3 A
FEE - EXAMINATION OF PLANS. A fee in the amount of \$25.00 for an examination of the plans and specifications for each building or structure shall be paid to the Village Clerk. Said fee shall be paid at the time application for a permit is made. Said fee shall not be refunded even though the permit is not issued for any reason whatsoever.

Section 6 A
INSPECTION - FEE. The Building Commissioner or some qualified person designated by him shall make at least three inspections of each building or structure and as many inspections thereafter as may be deemed necessary by the Building Commissioner. The fee for said inspections, including all general inspections, electrical and plumbing inspections, shall be \$20.00. Said inspection fee shall be paid to the Village Clerk at the time that application for a permit is made.

Section 3
REPEAL. That all ordinances or parts of ordinances in conflict with the provisions hereof are hereby repealed in so far as they conflict herewith.

Section 4
EFFECTIVE DATE. That this ordinance shall take effect and be in full force from and after its passage, approval and publication in the manner prescribed by law.
